

LISMACLOSKEY RECTORY

Cut out all sections very carefully with scissors.
For best results - score the dashed lines,
fold and then glue the tabs.

LISMACLOSKEY RECTORY

LISMACLOSKEY RECTORY

Built in 1717-1718 this house was originally sited in Lismaclaskey, Toomebridge, County Antrim. An example of English rather than Irish building traditions - skills and techniques brought to Ireland by English settlers.
