Ulster Folk & Transport Museum  
**Find the farm animal**

The Ulster Folk & Transport Museum recreates life in Ulster in the nineteenth century. You and your family will find the answers to this trail around the Museum's rural area. Together, read the clues, look in the gardens, the fields and the barns and try to find as many of the animals as you can. Record where you found them.

**NB:** You will need to bring a pencil or pen with you to the Museum.

## Be safe and enjoy the countryside.

Do not open any gates and keep out of fields with animals in them.

Enjoy looking at the animals, the machinery and crops but remember to take care.

Remember to wash your hands after visiting the rural area.
