

ULSTER FOLK AND TRANSPORT MUSEUM

ON THE MOVE (revised)

(Ages 8-12)

NAME: _____

GROUP: _____

ON THE MOVE

Urban area

The number of the question is the same as the number of the building on the map.

3-4 Tea Lane – How many doors are there on Tea Lane?

6-10 Meeting Street – Name three occupations you find in this street.

11 Church of Ireland – How many grave stones are there? (Be careful, they are not all obvious.)

12 The Northern Bank – There is plaque outside the door of the bank. What materials is it made from?

14 Market/Court House – What time on a Wednesday did the Clerk of Petty Sessions open for business?

15 Donaghadee Weighbridge – In which two cities could you have found the company of H Pooley & Son? (You may have to go to ground for the answer.)

19 RIC Barracks – What are the three symbols on the plaque above the door?

25 The Old Rectory – How many windows are around the house?

34 Ballyveridagh National School – How many steps are up the side of this building? (Don't forget to count the top one.)

31 The Draper's Shop – From the list of fabrics below circle which you will find in the Draper's shop window

nylon

wool

tweed

polyester

lace

lycra

cotton

leather

silk

linen

26 What is the modern term for a 'picture house'?

Rural Area

On the Move

- 39 Ballydugan Weaver's House – Count all the windows and add that number to the number of chimney pots.
-
- 40 Tullylish Bleach Green Tower – Look at this small structure, note its position and guess its purpose in the field.
-
- 41 Gorticashel Flax Mill – there are no curtains here, what did they use to keep the windows covered at night?
-
- 43 Coshkib Hill Farm – The dwelling house and the outhouses are roofed with different materials. What material is used on –
(a) dwelling _____ (b) outhouses _____
-
- 44 Coalisland Spade Mill – What was the energy source for this building?
-
- 45 Corradreenan Farmhouse – In what city was the company based who made the barn beside the house?
-
- 46 Cruckaclady Farmhouse – There is a 'stable' door or extra 'half' door on the front of this house. Name two benefits of this type of door.
-
- 49 Ballyveagh Farm – You will see that the thatched roof is held down by wooden pegs and rope. Can you suggest a reason why the home owners might have done this?
-
- 50 Magheragallan Byre Dwelling – What notable features in the ruins attached indicate there was also a second house attached to this building?
-
- 51 Drumnahunshin Farmhouse – What in the front garden provides something to drink?
-
- 53 Ballydown National School – Why do you think there is a wall dividing the playground into two halves?
-
- 54 Lisrace Forge – What is nailed to the door?
-
